ABOUT US

Sea to Sky, Sea to Table

Located on the 47th floor of Breeze Xin Yi, SEA TO SKY - Seafood & Bar, a brand of S&W Taipei Group, is the newest high-altitude seafood restaurant in the Xinyi District and has become a favorite destination for festive gatherings and dates for its luxurious, romantic, fashionable and comfortable style.

Taking contemporary cuisine across the axis of time and space as the brand's main focus, together with a relaxed and attentive service and stunning views, SEA TO SKY creates its own unique dining atmosphere. Our brand perfectly combines the "sky view" and "vast ocean imagery" with the concept of "the sky melting into the ocean" running through the whole design. Therefore, dining guests can fully experience the "Sea to Sky, Sea to Table" culinary journey from the ocean to the sky.
